CALFED BAY-DELTA PROGRAM

Public Comment

Date August 17, 1999

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

I have lived in the Bay Area for almost 50 years. During that time there were several droughts where we conserved water by not watering, flushing or washing cars. Some measures were drastic but we can conserve water use and limit the number of canals & dams which are planned. Southern California has not regarded water shortage as their problem. Show them it is!!

Name: Lois M. Morris

Organization: Individual

Address: 3248 Meadowbrook Dr.
Concord, CA 94519-2141
