AUG 11

Lester Snow, Cal/Fed
Exec Director, 1416, 9th St, Suite 1155
Sacramento, Calif 95814

Dear Sir:

I am writing concerning the CAL/FED Plan currently under review.

I urge you to adopt a Cal Fed plan that:

- Maximizes water efficiency and conservation
- Removes barrier dams, increases instream flows, and acquires and restores habitat for fish and wildlife.
- Does not rely on proposed dam raises or new off stream storage reservoirs.

Sincerely,
Jules Riskin
