CALFED BAY-DELTA PROGRAM
ECOSYSTEM RESTORATION PROGRAM PLAN

VOLUME II: ECOLOGICAL MANAGEMENT ZONE VISIONS

TABLE OF CONTENTS

SECTION **PAGE**

ECOSYSTEM RESTORATION PROGRAM PLAN **1**

Overview 1
Organization of the Plan 2
Introduction to Volume II 2
Perspective 4
Geographic Scope 5
Multi-Species Conservation Strategy 5
Implementation Strategy 5
Comprehensive Monitoring, Assessment and Research Program 8
Terms Used in the ERPP 10

TARGETS, ACTIONS, AND MEASURES FOR SPECIES AND COMMUNITIES **16**

Introduction 16
Species Designations 16
MSCS Conservation Measures 17
Species Goals and Conservation Measures 21
References 65

ECOLOGICAL MANAGEMENT ZONES **66**

Introduction 66
Distinguishing Characteristics 66
Ecosystem Typology 66

SACRAMENTO-SAN JOAQUIN DELTA ECOLOGICAL MANAGEMENT ZONE **68**

Introduction 68
Description of the Management Zone 68
Descriptions of Ecological Management Units 78
Vision for the Ecological Management Zone 82
Integration of Actions for Stage 1 Implementation 84
Visions for Ecological Management Units 85
Visions for Ecological Processes 89
Visions for Habitats 90
Visions for Reducing or Eliminating Stressors 90
Visions for Species 91
Integration with Other Restoration Programs 95

TABLE OF CONTENTS (continued)

SECTION **PAGE**

Linkage to Other Ecological Management Zones 97
Restoration Targets and Programmatic Actions 97
References 120

SUISUN MARSH/NORTH SAN FRANCISCO BAY ECOLOGICAL MANAGEMENT ZONE . . 123

Introduction 123
Description of the Management Zone 123
Descriptions of Ecological Management Units 130
Vision for the Ecological Management Zone 132
Visions for Ecological Management Units 134
Visions for Ecological Processes 135
Visions for Habitats 136
Visions for Reducing or Eliminating Stressors 136
Visions for Species 137
Integration with Other Restoration Programs 140
Linkage to Other Ecological Management Zones 143
Restoration Targets and Programmatic Actions 143
References 153

SACRAMENTO RIVER ECOLOGICAL MANAGEMENT ZONE 156

Introduction 156
Description of the Management Zone 156
Descriptions of Ecological Management Units 162
Vision for the Ecological Management Zone 163
Visions for Ecological Management Units 164
Visions for Ecological Processes 167
Visions for Habitats 168
Visions for Reducing or Eliminating Stressors 168
Visions for Species 169
Integration with Other Restoration Programs 172
Linkage to Other Ecological Management Zones 175
Restoration Targets and Programmatic Actions 175
References 186

NORTH SACRAMENTO VALLEY ECOLOGICAL MANAGEMENT ZONE 188

Introduction 188
Description of the Management Zone 188
Descriptions of Ecological Management Units 189
Vision for the Ecological Management Zone 196
Visions for Ecological Management Units 196
Visions for Ecological Processes 198
Visions for Habitats 198
Visions for Reducing or Eliminating Stressors 199
Visions for Species 199

TABLE OF CONTENTS (continued)

SECTION **PAGE**

Integration with Other Restoration Programs 200
Linkage to Other Ecological Management Zones 202
Restoration Targets and Programmatic Actions 202
References 208

COTTONWOOD CREEK ECOLOGICAL MANAGEMENT ZONE 209

Introduction 209
Description of the Management Zone 209
Descriptions of Ecological Management Units 211
Vision for the Ecological Management Zone and Units 212
Visions for Ecological Processes 213
Visions for Habitats 213
Visions for Reducing or Eliminating Stressors 214
Visions for Species 214
Integration with Other Restoration Programs 214
Linkage to Other Ecological Management Zones 216
Restoration Targets and Programmatic Actions 216
References 219

COLUSA BASIN ECOLOGICAL MANAGEMENT ZONE 220

Introduction 220
Description of the Management Zone 220
Descriptions of Ecological Management Units 221
Vision for the Ecological Management Zone 223
Visions for Ecological Management Units 223
Visions for Ecological Processes 224
Visions for Habitats 224
Visions for Reducing or Eliminating Stressors 224
Visions for Species 224
Integration with Other Restoration Programs 225
Linkage to Other Ecological Management Zones 226
Restoration Targets and Programmatic Actions 226
References 229

BUTTE BASIN ECOLOGICAL MANAGEMENT ZONE 230

Introduction 230
Description of the Management Zone 231
Descriptions of Ecological Management Units 231
Vision for the Ecological Management Zone 242
Visions for Ecological Management Units 242
Visions for Ecological Processes 244
Visions for Habitats 244
Visions for Reducing or Eliminating Stressors 244
Visions for Species 245

TABLE OF CONTENTS (continued)

SECTION **PAGE**

Integration with Other Restoration Programs 246
Linkage to Other Ecological Management Zones 248
Restoration Targets and Programmatic Actions 248
References 254

FEATHER RIVER/SUTTER BASIN ECOLOGICAL MANAGEMENT ZONE 255

Introduction 255
Description of the Management Zone 256
Descriptions of Ecological Management Units 256
Vision for the Ecological Management Zone 263
Visions for Ecological Management Units 264
Visions for Ecological Processes 266
Visions for Habitats 266
Visions for Reducing or Eliminating Stressors 268
Visions for Species 268
Integration with Other Restoration Programs 270
Linkage to Other Ecological Management Zones 271
Restoration Targets and Programmatic Actions 271
References 280

AMERICAN RIVER BASIN ECOLOGICAL MANAGEMENT ZONE 282

Introduction 282
Description of the Management Zone 282
Descriptions of Ecological Management Units 283
Vision for the Ecological Management Zone 290
Visions for Ecological Management Units 290
Visions for Ecological Processes 292
Visions for Habitats 293
Visions for Reducing or Eliminating Stressors 294
Visions for Species 295
Integration with Other Restoration Programs 296
Linkage to Other Eeological Management Zones 299
Restoration Targets and Programmatic Actions 299
References 310

YOLO BASIN ECOLOGICAL MANAGEMENT ZONE 311

Introduction 311
Description of the Management Zone 311
Descriptions of Ecological Management Units 312
Vision for the Ecological Management Zone 318
Visions for Ecological Management Units 318
Visions for Ecological Processes 319
Visions for Habitats 319
Visions for Reducing or Eliminating Stressors 320

TABLE OF CONTENTS (continued)

SECTION **PAGE**

Visions for Species 320
Integration with Other Restoration Programs 320
Linkage to Other Ecological Management Zones 322
Restoration Targets and Programmatic Actions 322
References 327

EASTSIDE DELTA TRIBUTARIES ECOLOGICAL MANAGEMENT ZONE 328

Introduction 328
Description of the Management Zone 328
Descriptions of Ecological Management Units 329
Vision for the Ecological Management Zone 335
Visions for Ecological Management Units 335
Visions for Ecological Processes 337
Visions for Habitats 337
Visions for Reducing or Eliminating Stressors 338
Visions for Species 338
Integration with Other Restoration Programs 340
Linkage to Other Ecological Management Zones 341
Restoration Targets and Programmatic Actions 341
References 352

SAN JOAQUIN RIVER ECOLOGICAL MANAGEMENT ZONE 353

Introduction 353
Description of the Management Zone 353
Descriptions of Ecological Management Units 356
Vision for the Ecological Management Zone 357
Visions for Ecological Management Units 358
Visions for Ecological Processes 360
Visions for Habitats 360
Visions for Reducing or Eliminating Stressors 361
Visions for Species 361
Integration with Other Restoration Programs 362
Linkage to Other Ecological Management Zones 364
Restoration Targets and Programmatic Actions 365
References 371

EAST SAN JOAQUIN BASIN ECOLOGICAL MANAGEMENT ZONE 373

Introduction 373
Description of the Management Zone 374
Descriptions of Ecological Management Units 374
Vision for the Ecological Management Zone 384
Visions for Ecological Management Units 385
Visions for Ecological Processes 390
Visions for Habitats 391

TABLE OF CONTENTS (continued)

SECTION **PAGE**

Visions for Reducing or Eliminating Stressors 391
Visions for Species 392
Integration with Other Restoration Programs 394
Linkage to Other Ecological Management Zones 395
Restoration Targets and Programmatic Actions 396
References 406

WEST SAN JOAQUIN BASIN ECOLOGICAL MANAGEMENT ZONE 408

Introduction 408
Description of the Management Zone 408
Vision for the Ecological Management Zone 412
Visions for Ecological Processes 413
Visions for Habitats 413
Visions for Reducing or Eliminating Stressors 414
Visions for Species 414
Integration with Other Restoration Programs 415
Linkage to Other Ecological Management Zones 416
Restoration Targets and Programmatic Actions 416
References 418
