Lester Snow
Executive Director CALFED
1416 Ninth Street
Sacto, CA 95814

Dear Mr. Snow:

I oppose the construction of new dams and the raising of existing dams as a way of increasing storage in the central Valley.

I particularly oppose raising the level of Shasta Dam, diverting water from the Sacramento River.

I also oppose Delta water storage and any project producing diversions from the Sacramento River.

0115

I urge water conservation of urban and agricultural areas.

I also do not want Delta water diversions to existing canals or destroying critical habitats.

Thank you for your consideration of these issues

Sincerely yours

Megan H Pierce
