Lester Snow
Executive Director, CALFED
1416 Ninth Street
Sacramento, CA 95814

Dear Mr. Snow,

I would like to express my opposition to CALFED's plan to increase surface water storage in the Central Valley.

I urge CALFED to expand water efficiency, conservation, and reclamation to stretch our existing water supplies.

I support CALFED's proposed restoration goals for the Central Valley, including removing some facilities such as the Englebright Dam.

Thank You,
