Lester Snow AUG 1 9 1999 8/7/99

Executive Director, CALFED 0266

1416 Ninth Street

Sacramento, CA 95814

Dear Mr. Snow;

This letter is in response to the revised CALFED plan.

I oppose CALFED's plan to increase water storage by raising dams. CALFED's plan to raise Shasta dam would flood segments of the upper Sacramento and McCloud rivers.

I would suggest we investigate other alternatives.

I am in support of CALFED's proposed restoration goals for the Central Valley such as the removal of dam facilities such as the Englebright Dam.

Thank you

Jeffrey Walden
