CALFED BAY-DELTA PROGRAM

Public Comment

Date 8/25/99

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

Our quality of life depends on Clean water. Careful planning and strict growth and developement controls must be implemented to protect our water quality. Look at the huge damage poor planning and inadaquate oversight has done to fragile eco-systems around the world. We must act now to save our natural resources.

Thank you.

Name: Ernie C. Kahl
