Lester Snow
Executive Director, CALFED
1416 Ninth St.
Sacramento, CA 95814

Dear Mr. Snow.

Please consider this a response to the revised CALFED Plan.

I oppose new dams or increased water levels at existing dams.

I support restoration & removal of dams.

I support increased conservation strategies and sustainable agriculture

We must have the courage to leave a stable ecosystem for our grandchildren.

I am a forty+year resident of Calif, a voter, and a grandmother. I believe we can, if we will, return our great state to a more viable ecosystem and protect future generations.

Sincerely,
