LESTER SNOW
EXEC. DIR. CALFED
1416 NINTH ST.
SAC, CA 95814

Dear Mr. Snow,

Please consider this letter a response to the revised CALFED plan.

I oppose plans to increase surface H_2O storage by raising existing dams or building new offstream reservoirs.

I urge CALFED to expand efficiency, conservation and reclamation programs instead of building new dams and canals.

Thank you.

Heather M. Grace
