SEP 1 3 1999 816

To: Lester Snow Aug 28th
Executive Director, CALFED
1416 Ninth st.
Sacramento, CA 95814

Dear Mr. Snow:

I oppose:
the revised CALFED plan for water storage.
Why? * We can expand water conservation by not growing crops that take tons (gallons) of water
* we can focus on removing some facilities such as Englebright dam,
*

I approve further research and that the public's voice be heard.
* we need to think of Biodiversity and riparian habitat not just Human's needs!

Sincerely,
Kim Stanley
Fairfax, CALIF
