Dear Lester,

Please consider this letter a response to the revised CALFED plan.

I am opposed to CALFEDS plan to increase surface water storage through dams. You cannot solve ecological damage done by dams by building more dams! Please do not let greed business

and water politics destroy the precious web of rivers, riparian habitat and wildlife which comprise the heart of the Sacramento - San Joachin watersheds, and the heart of the beauty and quality of life of this lovely state.

Please respond!

Sincerely,
