Lester Snow
Executive Director, CALFED
1416 Ninth St.
Sacramento, CA 95814

Dear Mr. Snow:

I oppose CALFED's plan to increase surface water storage in the Central Valley by raising existing dams. This includes CALFED's plan to raise Shasta Dam.

Instead of building new dams and canals, please consider expanding water efficiency, conservation, and reclamation programs to ~~[illegible]~~ stretch existing water supplies.

I write this letter as I sit by the bank of the American River, South Fork. I would appreciate

a reply.

Sincerely,
Erica S. Flores
