Comments:

As a fith generation farmer I have been dealing with water issues all our lifes. We as farmers are not asking for more water but being able to have water on a year to year basis dry or wet year. As farmers we have done a great deal in technology to conserve water. Now the big answer to this problem is Storage! Storage! Storage!

Name: Rocky Silveira

Organization: Farmer / Farm bureau

Address: 7151 16th Ave
Hanford CA 93230
