Comments:

To sustain additional population growth we need additional water storage. Additional water storage is needed to solve the south's water quality problems. We need to address our great-grand-children's water needs. It takes 20 years to develope a project and we are running out of time. We need storage NOW!

Name: Ernest Taylor

Organization: farmer

Address: 7290 Kent Ave
Hanford Ca 93230

Phone: 559-584-3798 Fax: 559-584-2061
